

# ENG/ ABDULLAH NASSER ALENZI

## Objective

Motivated Professional with hands-on experience in designing and maintaining HVAC systems. Skilled in delivering engaging lectures on mechanical engineering topics, proficient in troubleshooting complex cooling systems, adept at optimizing energy efficiency, and possess a strong commitment to ensuring indoor comfort and environmental sustainability. Seeking a challenging role in mechanical engineering that allows me to apply my expertise and contribute to innovative solutions in the field of refrigeration and air conditioning.

## Experience

### Trainer and Quality Coordinator

Technical and Vocational Training Corporation (TVTC)  
Nov 2018 - Present

- Conduct training sessions within the Mechanical Department.
- Implement modern training methodologies, including interactive activities, exercises, and practical training sessions.
- Monitor and evaluate the progress of trainees during the training process.
- Track and assess key performance indicators to enhance the effectiveness of the training programs.

### Mechanical Engineer

Isam Khairi Kabbani Group of Companies | Dec 2017 - Nov 2018

- Supervised mechanical operations at the Riyadh Metro station.
- Generated daily reports on maintenance activities.
- Maintained an inventory of daily and weekly maintenance tasks.
- Monitored and reported project progress to relevant stakeholders.
- Managed inventory of materials and equipment according to project plans.

## Courses

- Total Quality Management
- Leadership Skills Development
- Crisis Management for Facing Challenges in Educational Institutions
- Preparing Operational Plans and Crafting Performance Indicators
- Programming Fundamentals using MATLAB
- Training of the Trainers (TOT)
- Metal Heat Treatment Technologies
- Skills of Administrative Transformation and Change Management
- Rationalizing Energy Consumption and Increasing the Efficiency of its Use in Refrigeration, Air Conditioning, and Lighting Systems
- Digital Transformation and Technology of the Future

## Languages

- Arabic: Native
- English: Intermediate

## Contact

-  +966545437611
-  [abdullah.sgit@gmail.com](mailto:abdullah.sgit@gmail.com)
-  Riyadh, Saudi Arabia
-  Abdullah Alenzi

## Education

### Bachelor's Degree in Mechanical Engineering (Refrigeration and Air Conditioning)

Technical Trainers College | Apr 2017  
GPA: 4.34 out of 5.00

## Skills

- Quality Management
- HVAC System Design
- Thermodynamics
- Energy Efficiency
- Control Systems
- HVAC Maintenance
- Maintenance Management
- Diagrams and Schematics
- Customer Service
- Reporting
- Problem-Solving
- Time Management
- Teamwork
- Decision-Making
- Attention to Details
- Microsoft Office

## Volunteering

- Enhanced accessibility to educational materials and information for individuals with visual impairments through the narration of images and videos.
