ABDULRAHMAN ABOULISS

WEB DEVELOPER(PHP-LARAVEL)

PROFILE

Mid-level developer with solid practical experience in Laravel framework all the way up to all front-end basics and needed Techniques to build a full web application from start to end. Participate in medium scale CMS projects in depth. Working in teams have never been a problem and getting things done without delay is one of my strengths
.

EXPERIENCE

Software Analyst - Apr 2022 - Present
DAFA — Riyadh, Saudi Arabia

Through this interval i was responsible for the database design, system architecture & supervising the development team by assigning tasks for each department & organize the work between them to ensure that the development process is going in the right direction & the outcome meet the project requirements.

FULL STACK PHP-Laravel WEB DEVELOPER - Jun. 2021 – Apr 2022
SAFETY GCC — Jeddah, Saudi Arabia

Through this interval i worked with a start-up company to build a system from scratch which serve premises Safety and Security, i was engaged in most aspects of web development starting from all Frontend basics(HTML, CSS, JS, jQuery, Ajax, ... etc) all the way to Backend where we use PHP Laravel(Auth, Roles & Permissions, ORM, ... etc), Livewire, mysql database ... etc

Participate in Native PHP & Laravel Projects - Feb. 2021 - Jun. 2021
REMOTELY — Saudi Arabia

Through this interval I participate in several projects some of them with a team and some as individual, these projects were mostly focused on CRUD operations, data manipulation and converting the static data coming from users into useful meaningful information

FULL STACK WEB DEVELOPMENT TRAINEE - July. 2020 - Oct. 2020
KTS — Irbid, Jordan

Through this interval I engaged with the whole process of building a Web Application and dealing with MVC pattern using Html, CSS, Flex-Box, Bootstrap, jQuery, and Laravel Framework and all its associated details

NETWORK SUPPORT ENGINEER INTERN - May. 2019 - Aug. 2019
SMART TECHNOLOGY SOLUTIONS — Jeddah, Saudi Arabia

Through this interval I worked as an intern in a position of Support Engineer and was engaged with customers support, participate with building a whole School Network project and supervised on completion of some partial projects

To whom it may concern

This recommendation letter is to certify that I have train **Mr. Abdulrahman Alessa**. He trained for three continues months at the IT department in Smart Technology Solutions.

As a trainee I found him extremely hardworking and regular in his tasks. he has been a diligent trainee. He has always performed his tasks in the best possible way and as accurate as he could. **Abdulrahman Alessa is** characterized with a pleasant character. He knows how to accommodate well in a group, and he has good communication skills. He has the ability to work under pressure and help in creating a good working environment.

I highly recommend him for future endeavors.
