Subject: **Congratulation Letter**

Madam,

Green Living Association cordially congratulates **Arifa Taimur** and **Haroon Mumtaz** from Bloomfield Hall for securing 1st and 3rd positions respectively in the Environment Quiz Competition Jan – Mar 2007. We believe the major credit goes to the wise, perceptive and visionary school's administration in developing such brilliant students.

Looking back on this year's quiz contest, I hope the students have some great memories. I know I do. I remember motivation and enthusiasm of the students and very active participation from their family members to extend the message of environmental protection. Overhead brightly colored banners were soaring over the students performing on the stage at the occasion of the prize distribution. And there was rousing prize distribution to recognize the great contributions by the participants and the winners.

Memories to last a lifetime for sure!! **Each of the participants** in the Environment Quiz Competition is a **Major Contributor** in itself!! Participating students form a very select group of 3,000 students completing the environment quiz competition. There were total 7 schools involved in the Environment Quiz the main contributor of which is Lahore Grammar School with participation of its 8 branches. Then comes the Bloomfield Hall School with participation of 5 branches, LACAS with 4 branches, Salamat ICAS with 3 branches and Learning Alliance, The City Grammar School and St. Anthony's School one branch each. The total participation from all schools remained around 3,000.

Let's congratulate both **Arifa Taimur** and **Haroon Mumtaz** over their remarkable achievements. The winners of the Environment Quiz are going to be the 'Ambassadors of Environment' to participate in a number of events at national and international level to extend the message of Environment Protection. During summer vacation we have planned media programmes in association with the Ambassadors of Environment to be aired on weekly basis. Kindly help us in getting the contact details of Arifa and Taimur to send their families the details of the future plan. Kindly find herewith a CD containing snaps of the Environment Solidarity Programme. We hope our association for this great cause will go a long way in addressing the critical environmental issues in Pakistan.

Congratulations Arifa & Haroon
