Alaa Alotibi

(Computer engineer)

+966538159471 | Alaaalotibi45@gmail.com

OBJECTIVE

As a recent graduate with a bachelor's degree in Computer Engineering and a strong interest in Network Engineering, I am excited to apply my experiences and knowledge to contribute to the development of growing network infrastructures. I am keen to provide innovative solutions and seek a dynamic role where I can continue to develop my skills and make a significant and valuable impact in the field of Network Engineering.

EDUCATION

- bachelor's of Computer Engineering 2019-2024)   in Taif University G.P.A:3.60 of 4

PROGECTS

- Graduation Project (Neglected Wells Detection:A Lifesaving Approach Using LiDAR and AI)
- Building a network supported by DHCP and DHCP Relay

TECHNICAL SKILLS

- Network Configuration:Setting up and configuring network devices.
- Network Troubleshooting:Diagnosing and resolving network issues using tools like Ping,Traceroute.
- Network Protocols: Understanding of network protocols like TCP/IP, DNS, DHCP..

SOFT SKILLS

- Effective Communication
- Problem Solving
- Time Management
- Teamwork

LANGUAGES

- Arabic(Native)
- English
