PROFESSIONAL SUMMARY

Bachelor of Computer Science graduate of King Faisal University, College of Computer Science and Information Technology, majoring in Computer Science with honors, and I am familiar with a variety of programming languages and technologies. And I have passion and desire to join you in giving my best.

EDUCATION

Bootcamp in UX/UI Design by Ironhack, 02/2024 - 05/2024

Saudi Digital Academy (SDA)

Learn essential and practical skills to create engaging, easy-to-use digital products.

Bootcamp in Machine Learning by Clarusway, 09/2023 - 05/2023

Saudi Digital Academy (SDA)

Applied knowledge through diverse mini projects, gaining practical experience and reinforcing theoretical concepts.

Bootcamp in Machine Learning, 09/2023 - 05/2023

The Saudi Data & AI Authority (SDAIA)

Cover a wide range of topics, including the fundamentals of ML, popular ML algorithms, deep learning, and ML applications.

Bachelor of Computer Science, 09/2017 - 05/2023

King Faisal University (KFU) - Al Hofuf

College of Computer Science and Information Technology

WORK HISTORY

University Internship Program, 06/2022 - 08/2022

Saudi Aramco - Dhahran, KSA

- Working on a project that consists of data extracted from the chemistry lab that has been downloaded, analyzed and used in some calculations and graphical representations, and then displayed in the graphical user interface (GUI)
-

CERTIFICATIONS

- UX/UI Design by Ironhack, Saudi Digital Academy (SDA)
 - Machine Learning (ML) Bootcamp by Clarusway, Saudi Digital Academy (SDA)
 - Programming Fundamentals course in Python-5, Cisco
 - Completion of the university training program, Saudi Aramco
 - Machine Learning (ML) Bootcamp, The Saudi Data & AI Authority (SDAIA)
 - IoT Basics Course: Connecting Things-8, Cisco
 - Computer course (word processing and data entry), International Board for Training
-

SKILLS

- Ability to work remotely with a high degree of productivity if required
- Internet research, analysis and problem-solving skill

- Proficiency in using Microsoft Office programs
- Data Science, Machine Learning, Python
- Responsible, Cooperation, Teamwork
