Personal Data

Birthday: July 16, 1987
Nationality: Sudanese
Marital status: Single
Address: Saudi Arabia /Riyadh
Status: Transferable Iqama

Education

-PHD in Computer Science, University of Science and Technology Beijing (Beijing, China) 2018-
In Progress.
-Master's degree in information technology, University of Al Neelain (Khartoum, Sudan) 2015.
Degree of award: **V. Good**
-B.Sc. (Honor) in Computer and Electronic System Engineering, University of Science and
Technology (Khartoum, Sudan) 2009
Degree of award: **Second class /First division**

Academic Research

-PHD Research
Research Area: block chain, fuzzing, smart contracts, and Vulnerability detection
-Master's Research
Title: Data Mining in Website**s**
-Graduation Research:
Title: Traffic Analysis of Mobile Communication

Work Experience

Assrooh Athakiyah Company (Dec2021 – Present)
King Saud University (Project Common First Year)
 IT Instructor
       -Teaching computer skills
       -Preparing course plans and materials
       -Delivering courses
       -Monitoring progress/attendance
       -Advising students
       - Recording grades and submitting reports

Sinnar University (Nov2016 – Aug 2018)
Lecturer:
-Teaching and preparing materials computer science course (information security, network systems -Databases - computer maintenance. automated computer programming - Internet technology).**University of Al-gadarif (Dec2012- Nov2016)**
- Teaching assistant:
Teaching students in Computer Science and technology faculty number of programming languages in the lap (sql -php - java - c#).

Training sessions and courses
-Course in Oracle Developer (100 Hours)
-Course in java Programming (40 Hours)
Conferences
-International Conference on Cyberspace Data and Intelligence 2019(**China / Beijing)**

- 4th International Conference on Computer Science and Information Technology 2016(**Sudan /Gadarif**)

Skills
- Proficiency in dealing with programming languages (java, html, PHP , sql, c #).
- Proficiency in dealing with database programs (SQL)
- Proficiency in MS office application and windows applications
- Proficiency in computer Hardwar maintenance.
Language
- Fluent in English
- Fluent Arabic
- Chinese (intermediate)
